

Love and Logic

Parenting the Love and Logic Way™

Join us in learning parenting techniques designed by the Love and Logic Institute.
Brought to you by New Opportunities, East Sac Community Schools, and Kids World

Presented by **Becky Halbur**

Independent Facilitator

Answers to:

- ◆ How to regain control of your home or classroom without waging war
 - ◆ How to effectively discipline without becoming the "bad guy" or causing a scene
 - ◆ How to put an end to temper tantrums, begging, nagging, and bickering
 - ◆ How to help your child/student have better time management
 - ◆ How to lessen stress when tough decisions need to be made
 - ◆ Knowing what to do when your child/student does the unexpected
- And much more!

These techniques are designed to give you practical skills that can be used immediately!
