

LICENSED EMPLOYEE DEFINED

## LICENSED EMPLOYEE QUALIFICATIONS, RECRUITMENT, SELECTION

Persons interested in a licensed position, other than administrative positions which will be employed in accordance with board policies in Series 300, "Administration," will have an opportunity to apply and qualify for licensed positions in the school district in accordance with applicable laws and school district policies regarding equal employment. Job applicants for licensed positions will be considered on the basis of the following:

- Training, experience, and skill;
- Nature of the occupation;
- Demonstrated competence; and
- Possession of, or ability to obtain, state license if required for the position.

Announcement of the position is in a manner which the superintendent believes will inform potential applicants about the position. Applications for employment may be obtained from and completed applications are returned to the school district administrative office. Whenever possible, the preliminary screening of applicants will be conducted by the administrator who will be directly supervising and overseeing the person being hired.

The board will employ licensed employees after receiving a recommendation from the superintendent. However, the superintendent will have the authority to employ a licensed employee on a temporary basis until a recommendation can be made and action can be taken by the board on the position.

## LICENSED EMPLOYEE CONTINUING CONTRACTS

Contracts entered into with licensed employees, other than an administrator, will continue from year to year unless the contract states otherwise, is modified by mutual agreement between the board and the employee, or the contract is terminated by the board.

The first three years of a new licensed employee's contract is a probationary period unless the employee has already successfully completed the three-year probationary period in an Iowa school district. New employees who have successfully completed a probationary period in a previous Iowa school district will serve a one-year probationary period. In the event of termination of the employee's contract during this period, the board will afford the licensed employee appropriate due process. The action of the board will be final.

Licensed employees whose contracts will be recommended for termination by the board will receive notice prior to April 30. The superintendent will make a recommendation to the board for the termination of the licensed employee's contract.

Licensed employees who wish to resign, to be released from a contract, or to retire must comply with board policies in those areas.

LICENSED EMPLOYEE WORK DAY

The work day for licensed employees will begin each day of the school year at a time established by the superintendent. Licensed employees who are employed only during the academic year will have the same work day as other licensed employees. "Day" is defined as one work day regardless of full-time or part-time status of an employee.

Licensed employees are to be in their assigned school building during the work day. Advance approval to be absent from the school building must be obtained from the principal whenever the licensed employees must leave the school building during the work day.

The building principal is authorized to make changes in the work day in order to facilitate the education program. These changes are reported to the superintendent.

The work day outlined in this policy is a minimum work day. Nothing in this policy prohibits licensed employees from working additional hours outside the work day.

The requirements stated in the Master Contract between employees in that certified collective bargaining unit and the board regarding work day of such employees will be followed.

## LICENSED EMPLOYEE EVALUATION

Evaluation of licensed employees on their skills, abilities, and competence is an ongoing process supervised by the building principals and conducted by approved evaluators. The goal of the formal evaluation of licensed employees, other than administrators, but including extracurricular employees, is to improve the education program, to maintain licensed employees who meet or exceed the board's standards of performance, to clarify the licensed employee's role, to ascertain the areas in need of improvement, to clarify the immediate priorities of the board, and to develop a working relationship between the administrators and other employees.

The formal evaluation criteria is in writing and approved by the board. The formal evaluation will provide an opportunity for the evaluator and the licensed employee to discuss the past year's performance and the future areas of growth. The formal evaluation is completed by the evaluator, signed by the licensed employee and filed in the licensed employee's personnel file. This policy supports, and does not preclude, the ongoing informal evaluation of the licensed employee's skills, abilities and competence.

It is the responsibility of the superintendent to ensure licensed employees are evaluated. New and probationary licensed employees are evaluated at least twice each year.

## LICENSED EMPLOYEE PROBATIONARY STATUS

The first three years of a new licensed employee's contract is a probationary period unless the employee has already successfully completed the probationary period in an Iowa school district. New employees who have successfully completed a probationary period in a previous Iowa school district will serve a one year probationary period. For purposes of this policy, an employee will have met the requirements for successfully completing a probationary period in another Iowa school district if, at the teacher's most recent performance evaluation, the teacher received at least a satisfactory or better evaluation and the individual has not engaged in conduct which would disqualify the teacher for a continuing contract.

Only the board, in its discretion, may waive the probationary period. The board may extend the probationary period for one additional year with the consent of the licensed employee. The board will make the decision to extend or waive a licensed employee's probationary status based upon the superintendent's recommendation. During this probationary period the board may terminate the licensed employee's contract at year-end or discharge the employee in concert with corresponding board policies.

Licensed employees may also serve a probationary period based upon their performance. Such probationary period is determined on a case-by-case basis in light of the circumstances surrounding the employee's performance as documented in the employee's evaluations and personnel file.
