

**SAC COMMUNITY SCHOOL DISTRICT
EDUCATIONAL FOUNDATION INC.
HALL OF FAME**

Over the years, there have been hundreds of young men and women who have graduated from the Sac Community School System. Many of these young men and women have taken advantage of the opportunities their education afforded them and have become successful individuals, not only in their field of employment or business, but also in their communities and in their personal lives. The Sac Community School Educational Foundation has established a Hall of Fame for the purpose of recognizing and celebrating the success Sac Community School graduates have had over the years. If you know of an individual who graduated from the Sac Community School and has been successful in their work, their community, or in their personal life, we would like you to nominate them for the Sac Community School Hall of Fame. Please complete this nomination form and send it to the address at the bottom of this page.
